

GENERAL INFORMATION:

This kit is available on www.dav.org by navigating to: Membership > Members Only > Login with membership number > Quick Links > Elected Officer Resources > Annual Financial Report Kit.

Accounting Year: July 1 – June 30 for all departments and chapters as provided in the National Bylaws.

Due Date: By September 30. Any department or chapter that has not submitted an annual financial report by September 30 will be considered in a delinquent status, which may subject the department/chapter to suspension or revocation of its charter.

Income Filing Requirements:

- Departments **All** departments are required to file with National regardless of the amount of gross income.
- Chapters **Gross income above \$25,000**, excluding all funding received from National: If the sum of the amounts listed on lines 2 thru 9 of the completed Annual Financial Report (AFR) form is more than \$25,000, submit complete report to **both** National and your DAV state department.

Gross income of \$25,000 or below, excluding all funding received from National: If the sum of the amounts listed on lines 2 thru 9 of the completed AFR form is \$25,000 or less, submit complete report to your state department only. **However**, if your gross income was above the \$25,000 filing requirement for the immediate prior year, we request that a copy of the completed AFR form for the current year be submitted to National.
- Departments and Chapters **Gross income exceeding \$300,000**, excluding all funding received from National: Requires a review by a certified public accountant (CPA). The complete CPA review report to include the basic supporting backup documentation: Statement of Revenues, Expenditures, Assets and Statement of Cash Flows; the actual **review** must be accompanied by a completed financial report and all additional required information.

Report Submission:

Only digital submissions of the AFR will be accepted by National. AFRs, including all required supporting documentation, are to be submitted to National digitally (PDF preferred) via email to AFRInfo@dav.org. Departments and chapters should keep a copy of the completed AFR and supporting documents for your records, and all chapters must send a copy to your DAV state department.

Additional Filing Requirements & Information:

Do not include depreciation, Cost of Goods Sold, net values, negative figures or transfers of funds (including cashing in and/or buying a CD) on the financial report.

Fixed assets such as real estate, furniture/equipment, vehicles and inventory/miscellaneous must be reported separately on the provided Other Assets Schedule form (901332–Rev. 8/21).

Copies of recognition letters from all organizations and individuals, excluding needy veterans/families of veterans, having received a donation(s) from the department/chapter during the accounting period are required. If recognition letters are not available, copies of cancelled checks clearly showing the recipient and reason for the donation for each may be provided.

CASH (LIQUID ASSETS) REPORT (AFR form 901308–Rev. 8/21):

This form is to be used to report *only* cash/liquid assets of a department/chapter. For DAV's financial reporting purposes, cash/liquid assets are assets that are in **cash form** or are **readily convertible to cash**. This includes checking and savings accounts, cash on hand, certificates of deposit, market value of investments at end of the accounting period, and any other assets readily convertible to cash (i.e. stocks, bonds, mutual funds and any other securities). The following information and guidelines correspond to the lines of the *Cash (Liquid/Assets) Report*. Some lines may not be applicable and, therefore, should be left blank. Please make entries on the correct lines only. **Alterations of these lines are not acceptable.** This means that you cannot use the category listed for a specific line (e.g. Line 3 Bingo Income) to report a different category (e.g. Raffle Income). In addition, a properly formatted schedule that clearly identifies the source of income or the reasons for the disbursements with the **total** amount stated for each category is required for any line on the financial report indicating "Attach Required Schedule" on which you have entered an amount. **Refer to pages 7 and 8 for schedule examples and proper format.**

BEGINNING BALANCE FOR THIS YEAR'S REPORT:

Beginning Balance: Must be the **total liquid assets** reported on line 27 of last year's financial report. Do not include fixed assets such as real estate, furniture/equipment, vehicles or inventory/miscellaneous in the Beginning Balance figure. Keep in mind that this figure must not be adjusted for any reason. If there was a reporting error on last year's report that changes the amount of the total liquid assets reported on line 27 of that report, the adjustment must be reported in the income or expenses section of this year's financial report accordingly. An explanation for the adjustment must be provided as well.

THIS YEAR'S INCOME/RECEIPTS (Net values are not permitted):

Line 1. All Funding from National Headquarters: Report all funds, including per capita dues, received from National during the accounting period. Funding includes, but is not limited to, per capita dues distributions from National and grants from the Columbia Trust and, for departments, distributions from the Department Fundraising and Department Revenue Sharing Programs.

A transfer of funds is just moving money the department/chapter already had from one bank account to another bank account. The actual transfer is not income earned as the department/chapter already had the money as an asset, nor is it an expense as the money was not spent/disbursed. Only income actually **earned/received** and money actually **spent/disbursed** during the accounting period should be reported.

Line 10. Total Income: The sum of lines 1 thru 9. Do **NOT** include the Beginning Balance amount.

Each line listed on the form provides a description of what is to be reported on that specific line, as well as what additional schedules and attachments are required for each. Alterations and/or grouping of the lines are not acceptable. **Please make entries on the correct lines only.** You should be prepared to substantiate the reported expenses with receipts, canceled checks, or other supporting documentation. See pages 5 and 8.

The Cost of Goods Sold should **NOT** be included on the financial report as it is the beginning inventory plus purchases made minus the ending the inventory, which is not an actual cash disbursement. Only the actual inventory purchases made during the accounting period should be reported.

Line 17. Thrift Store Expenses: Report total amount of expenses for any thrift store operation. **Attach required schedule** to include rent, utilities, all thrift store salaries (list the full name, job title and amount of salary or other compensation for each thrift store employee, payroll taxes, management fees, and any other expenses that are directly related to the operation of the thrift store. **NOTE:** The Cost of Goods Sold should **NOT** be included on the financial report as it is the beginning inventory plus purchases made minus the ending the inventory, which is not an actual cash disbursement. A transfer of funds is just moving money the department/chapter already had from one bank account to another bank account. The actual transfer is not income earned as the department/chapter already had the money as an asset, nor is it an expense as the money was not spent/disbursed. Only income actually **earned/received** and money actually **spent/disbursed** during the accounting period should be reported.

SERVICE EXPENSES SCHEDULE FORM FOR LINE 14 (901331-REV. 8/21):

Service expenses must be accurately reported on the Service Expenses Schedule form. Each line of this form provides a description of what information should be reported on that specific line, as well as what additional attachments are required for each.

Some things to note when completing this form:

- Shares/percentages of fundraisers, assessments and donations given to a DAV department to support their service programs should be reported on the **Service Programs** line.
- All schedule attachments as indicated on the form must be provided. A single schedule attachment listing all service expenses is not permitted.
- The figures listed within each schedule attachment must total to the amounts reported on the corresponding lines of this form.
- Copies of the recognition letters from each recipient (with the exception of needy veterans/families of veteran) of any donations given by the department/chapter are required.
- The supporting documentation for each line should be stapled together and labeled for easy reference back to the corresponding schedule attachment and the information within the supporting documentation should agree with the figure listed on the corresponding line. For example, if \$2,500.00 is listed on the **Donations to State Veterans Homes** line, the figures on the schedule attachment should add up to \$2,500.00, and the figures provided within the recognition letters/receipts should also add up to \$2,500.00.
 - For department/chapter operated programs/food bank/meal programs, copies of receipts and applicable recognition letters substantiating all expenses related to the operation should be provided.
- The figures listed on lines of the Service Expenses Schedule form for line 14 must add up to the amount listed on the **Total Amount of Line 14 Expenses** line of this form, as well as agree with the amount listed on line 14 of the Annual Financial Report form.

OTHER ASSETS SCHEDULE FORM (901332-REV. 8/21):

This form is to be used to report all **fixed assets**. Do not include any cash/liquid assets on this form. Please be prepared to substantiate the reported assets with supporting documentation.

Real Estate: Provide the complete address, date of acquisition/purchase and the **current market value** (not purchase price) for **each** property **titled** in the department/chapter name and affiliated entity(ies) name (e.g. thrift store). If more

Furniture/Equipment: Provide a brief description (e.g. desks, chairs, computers, stove) of furniture/equipment and their total **current estimated market value**, not their purchase price, directly on this form.

Inventory/Miscellaneous: Provide a brief description (e.g. flags, office supplies) of inventory/miscellaneous and their total **current estimated market value**, not their purchase price, directly on this form.

ENSURE REPORT IS MATHEMATICALLY CORRECT AND IN BALANCE:

Be sure to complete **all** computations on the financial report and required schedules.

Ensure that the amounts listed on the financial report agree with the corresponding schedule amounts.

Ensure that the report is in balance. Start with the beginning balance listed at the top of this current financial report, add the total income listed on line 10 and subtract the total expenses listed on line 22 to arrive at the ending balance. The ending balance **must** agree with the total liquid assets listed on line 27 of this current financial report. **Reports that are not in balance will not be accepted!**

REQUIRED SCHEDULES – ENSURE ALL REQUIRED SCHEDULES ARE IN THE PROPER FORMAT:

Simple schedules in the proper format that clearly identify the source of income and the reasons for the disbursements are required for any line indicating an attached schedule is needed and an amount is listed on that line. Combine all like income or all like disbursements and state the total amount for each category; for example: Member Donations and the **total** amount received from all member donations would be listed on the schedule for line 9; Department Convention and the **total** amount disbursed for said Convention would be reported on the schedule for line 12; Maintenance & Repairs: Plumbing and the **total** amount disbursed for all plumbing repairs would be reported on the schedule for line 19; Chapter Christmas Party and the **total** amount disbursed for said party would be reported on the schedule for line 21. Monthly breakdowns/general ledger reports; listings of each deposit made, each check written and each withdrawal; and proper names are **not** acceptable.
