NE	68025	Yard Work	Assist a Veteran cleaning his yard.
WA	98264	Yard Care	Someone to mow and do weed eating.
WA	99201	Wheelchair Ramp For WWII Veteran (Our Grandpa)	A wheel chair ramp is needed from the back entrance the house to the large driveway. There is a small deck to the left of the house which could possibly be modified to provide part of the ramp. The deck is about 3 feet off the ground. Another option would be to have the ramp go over the existing steps and down to the driveway.
